* Independent travelers on the AUP program must plan to arrive in Buenos Aires in time to meet the group no later than 3 p.m. on July 18.

** Mendoza Universities Program students begin orientation in Buenos Aires. Independent travelers should make flight arrangements to Buenos Aires, not Mendoza. IFSA-Butler arranges and pays for all students' travel to Mendoza, regardless of travel plans.

*** The first two weeks of class at Universidad Nacional de Cuyo and Universidad de Congreso allow students to "try out" different courses before committing to a schedule.

These dates are correct as of March 4, 2011, but must be regarded as provisional, given the mutability of Argentine university calendars.

Upon arrival at your host university, you must check the program ending dates for changes before confirming return travel plans. Ending dates vary from department to department, and you must complete all course obligations prior to departure. In addition, you should not make plans to travel on the final day of exams since there may be exams **on** that day.

Program housing is available only until the day shown on the calendar as "Last Day of Paid Housing." If you have academic obligations after this date let the IFSA-Butler staff know so they can arrange an extended stay with your host family.

Exams must be taken where and when scheduled. Under no circumstances may students request that an exam time be changed. Argentine exams are taken under formal examination conditions, and changes cannot be made for individuals.
