

**Course Preference Form
Buenos Aires Intermediate**

Name: _____ U.S. Institution: _____

Major: _____ Semester Abroad: Semester 1 (U.S. spring) Semester 2 (U.S. fall)

This is not a final registration form for the Buenos Aires Intermediate program; all course listings are provisional until you arrive in Argentina for orientation.

Please complete this form and return it to IFSA-Butler. All students are required to enroll in a full course load of 15–16 U.S. semester credit hours. In addition to the two mandatory program classes, you must enroll in at least three courses offered through the Cultural Immersion Program at the Universidad del Salvador (USAL). Please write down your preferred USAL courses in order of importance to you (i.e., the first is your highest preference; the last is your lowest preference).

Only USAL courses on the approved list from the Cultural Immersion Program are available to Buenos Aires Intermediate students. See University Courses section of the web site for the list of approved USAL classes. Keep in mind that all courses are provisional; you will not enroll in any courses until you arrive in Buenos Aires. At that time, you will be given a finalized course list from which to choose your classes for the semester.

Remember that you are responsible for obtaining course preapproval from your home institution as well as information on how credit and grades will be transferred back to your home institution.
