* All students must arrive in Sydney by the day marked "Arrive in Sydney."

These dates are correct as of June 10, 2011, but must be regarded as provisional, given the mutability of Australian university calendars.

Upon arrival at your Australian university, check the academic schedule for changes before confirming your return travel plans. Ending dates vary from department to department, and you must complete all course obligations prior to departure. In addition, you should not make plans to travel on the final day of exams, as you may have an exam on that day.

All program support services end on the "Program Ends" date.

Exams must be taken where and when scheduled. Under no circumstances may students request that an exam time be changed. In Australia exams are taken under formal examination conditions, and changes cannot be made for individuals.
