

This form will be submitted to the University of Melbourne as part of your housing application. All students must complete and submit this page with their housing application. If applying to a residential college, please type in answers on the following two pages, print and submit them. If you are not applying to a residential college, please skip to the last page of this document after completing this one. All applications must be submitted to:

Institute for Study Abroad
Butler University
1100 W. 42nd Street, Suite 305
Indianapolis, IN 46208-3345

Name _____

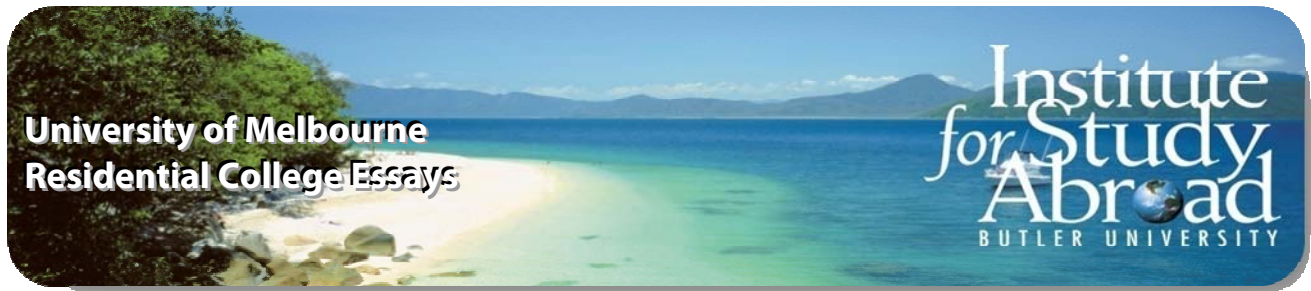

U.S. University _____

Date of Birth _____ day _____ month _____ year

GPA _____ out of _____

Majors _____ Minors _____

Number of semesters completed before study abroad _____

Supplemental Housing Application for Placement in a Residential College

Please type thoughtful answers to the following questions in paragraph form.

Briefly describe your academic interests at your home university and give details of what you are interested in studying at your Australian university.

Please explain why you wish to live in a Residential College during your semester abroad.

*Please describe your previous (if any) experience living **on campus** at your home university. Include details about your participation in group, campus and residential life activities.*

Please describe areas of expertise or interest that you could contribute to residential college life. Areas to highlight may include academic, sporting, music/dance/visual arts, community service and leadership.

Do you have any special dietary needs (remembering that residential colleges have mandatory meal plans)? For example, do you have any food allergies, restrictions, or other requirements that must be met?

Signed _____

Print Name _____ Date _____

For College Use Only
