

Visiting/Exchange Student Course Unit Enrollment Form

Students enrolling for the fall semester in UEA Schools other than the School of English and American Studies should choose courses which are assessed before the winter break (e.g. CW or PR assessed units). It will not be possible to select units assessed by examination (marked WW or EX) as these are assessed in June. Please note that this does not apply to the School of English and American Studies which offers 'C' version units, assessed by coursework only and which can be completed before the break (e.g. EASE2L05C).
