

University of Leeds Supplemental Application Questions

Your name: _____

Dear student:

The University of Leeds requires applicants to complete their forms in order to be considered for application. These forms are in addition to the ones required by IFSA-Butler. Due to different privacy laws in England, the University of Leeds is permitted to ask applicants to disclose information that IFSA-Butler is not allowed to request. These questions have been taken off the University of Leeds housing application and have been included below.

Please answer these questions and put them in a sealed envelope marked “CONFIDENTIAL” with your name on it. Return the envelope with your other forms. Your answers to these questions will be forwarded to the University of Leeds unopened. Your application will not be complete until we receive these answers. Thank you for your prompt attention to this matter. Please contact us if you have any questions.

Sincerely,

IFSA-Butler
