Classes Begin	January 25
Spring Break	March 27-April 11
Exams	May 10
Program Ends	May 20

\* Students must arrive in their orientation city by 2 p.m. in time to check in and make it to the 6 p.m. welcome dinner. Trinity students must arrive in time to check in to their hotel by noon on January 10; orientation will begin at lunchtime.

\*\* Exams may take place on a Saturday during the exam period.

**These dates are correct as of December 1, 2009, but must be regarded as provisional, given the mutability of Irish university calendars.** At some institutions, examinations for study abroad students may be concluded before the official end of the academic year. These universities cannot give us final examination schedules at this time.

Upon arrival at the overseas host institution, students should check the program end dates for changes before confirming return travel plans. End dates vary from department to department, and students must complete all course obligations prior to departure. In addition, students should not make plans to travel on the final day of exams since there may be exams **on** that day.

Program housing is available only until the program end date.

**Exams must be taken where and when scheduled.** Under no circumstances may students request that an exam time be changed. In Ireland, exams are taken under formal examination conditions, and changes cannot be made for individuals.
