

What is the Trinity College Dublin academic statement?

You must write an academic statement to accompany your application to Trinity College Dublin. The personal essay questions you answered on the IFSA-Butler application are not an academic statement. Your Trinity College academic statement should be a typed document, double spaced and no more than 500 words. The statement should explain why you have chosen to study at Trinity College, what you hope to gain academically from the courses you intend to take and what you can contribute to Trinity during your time there.
