These dates are correct as of February 8, 2010, but must be regarded as provisional given the mutability of host university calendars.

Upon arrival at your host university, check the program ending dates for changes before confirming your return travel plans. Ending dates vary from department to department, and you must complete all course obligations prior to departure. In addition, you should not make plans to travel on the final day of exams, as there may be exams on that day.

Your program housing is available only until the day after your last final exam.
