

Dear student:

The University of Glasgow requires applicants to complete their forms in order to be considered for application. These forms are in addition to the ones required by IFSA-Butler. Due to different privacy laws in Scotland, the University of Glasgow is permitted to ask applicants to disclose information that IFSA-Butler is not allowed to request. These questions have been marked out on the University of Glasgow housing form and have been included below.

Please answer these questions and put them in a sealed envelope. Return the envelope with your other forms. Your answers to these questions will be forwarded to the University of Glasgow unopened. Your application will not be complete until we receive these answers. Thank you for your prompt attention to this matter. Please contact your program advisor if you have any questions.

Sincerely,

IFSA-Butler
