Academic Information

Indicate which course modules from the Course Catalogue you wish to follow. Please look at the catalogue carefully and only select modules for which you have the appropriate academic background, as indicated by your academic transcript.

Please note:

- A full time course of study is three modules per semester.
- **Students who are not in their first/freshmen year are only permitted to take one semester 1 module in the autumn semester. Semester 1 modules are clearly marked in our course catalogue.**

As availability is often quite limited, students must select three preferred and three reserve modules. Students will automatically be assigned reserve modules if their preferred modules are not available or are fully subscribed. The more information you can provide about what you have studied already, the better our academic advisors can match you to modules at Stirling.

The Study Abroad & Exchange Course Catalogue is available online at:
<http://www.stir.ac.uk/study-abroad-exchanges/module-information>

Study Abroad and Exchange students must only choose courses from the Course Catalogue listed on the study abroad website.
