**These dates are correct as of January 19, 2012, but must be regarded as provisional, given the mutability of host university calendars.**

Upon arrival at your host institution, check the end dates for changes before confirming return travel plans. Ending dates vary from department to department, and you must complete all course obligations prior to departure. In addition, you should not make plans to travel on the final day of exams since there may be exams on that day.

Program housing is available only until the date listed as "Program Ends" on the calendar.

**Exams must be taken where and when scheduled.** Under no circumstances may students request that an exam time be changed. Exams are taken under formal examination conditions, and changes cannot be made for individuals.
