These dates are correct as of February 8, 2010, but must be regarded as provisional given the mutability of host university calendars.

Upon arrival at your host university, check the program end dates for changes before confirming your return travel plans. End dates vary from department to department, and you must complete all course obligations prior to departure. In addition, you should not make plans to travel on the final day of class, as there may be exams on that day.

All students must move out of program housing on the program end date.
