

Program Calendar

Wales Fall 2011

IFSA-Butler arranges optional transatlantic group flights for most programs. Group flights depend on the availability of commercial flights and the number of students attending each university program.

Academic Year Students Return	TBA
Academic Year Program Ends	June 16

These dates are correct as of March 23, 2011 but must be regarded as provisional, given the mutability of Welsh university calendars.

At some institutions examinations for study abroad students may be concluded before the official end of the academic year. These universities cannot give us final examination schedules at this time.

Upon arrival at the host institution abroad, students should check the program ending dates for changes before confirming return travel plans. Ending dates vary from department to department, and students must complete all course obligations prior to departure. In addition, students should not make plans to travel on the final day of exams since there may be exams on that day.

Program housing is available only until the "Move Out" date.

Exams must be taken where and when scheduled. Under no circumstances may students request that an exam time be changed. In Wales, exams are taken under formal examination conditions, and changes cannot be made for individuals.
